**For Year 1955**

Last meeting of 1955 for the second Launche Bros. pack took the form of an enrollment for Maurine Thompson, Gayle Harrison and Hazel Felt. Due to the extreme cold weather, two

enjoyed treats of cookies, chocolate milk and cereals.

Next meeting, the first for 1956 will be held on Monday, January 9.

**FAMILY GATHERING**

**Fire Can Destroy Important Papers in a Minute or Two**

Safety Deposit-Box Protection  
Costs Less than Dime a Week

Each year in this country thousands of valuable documents go up in smoke. Some can never be replaced if they are lost. It is so troublesome and expensive to replace others that it is only when you are sure that such papers as securities, policies, contracts and bonds are safe that you can sleep at night.

A Bank of Montreal safety deposit box offers a first-rate way to guard yourself against the loss of valuable documents. You get round-the-clock protection from the twin dangers of fire and burglary. The documents are stored in fireproof vaults. And, if you have documents in a B of M safety deposit box you are not likely to be scared either.

Drop into the Lacrosse branch of the Bank of Montreal under No. 441 Cathcart, or the accountant, will gladly show you his safety deposit boxes and how they can be safely relied upon your valuables are in the care of Canada's first

**Baking's Easier, Speedier**  
with Wonderful New Active Dry Yeast!

**CINNAMON BUNS**

Melt butter into large bowl, 1 c.  
Measure water, 1 cup, into small  
cup. Sprinkle yeast over water,  
stir well. Add salt, 1/2 t., sugar,  
1/2 c., cinnamon, 1/2 t. Stir until  
combined. Spoon mixture into  
large bowl. Beat eggs, 2, with en-  
ough Sugar to make thick. Add  
eggs to yeast mixture. Beat hard  
until smooth. Turn into greased  
pan. Bake in oven at 375° F. for  
20 minutes. Cool slightly. Cut  
into squares. Sprinkle with con-  
fectioner's sugar. Serve warm.

THIN

ground conditions, I have searched and found several variations. I have found down to 100' divide into 2 equal portions: one near north beach, the other much further on, about 100' back and 100' long between divide. Beach was marked better, or sharper, in the divide with ridges marked. In the morning on a long edge, still on each side beauty, like a jelly roll. Can use 2' slabs. These are best for building walls, a cut side into, or around 5' long leaves-into pieces for other decorative panels. Greenest tops. Green soil is found near the divide, back. Ridge

## Home and School Associations Meet Throughout Lacombe District

A very interesting home school meeting was held at Bicknell House, Room 10, with a good crowd in attendance. Two films, "Sing with the Commanders" and "Champs of the Air," were shown.

Students co-operate with others, accept responsibility and authority, the child will copy.

Much of the material learned by the children comes from their own experiences. They are three sets of teachers for

**BLACKWATER** - Regular meetings of the Blackwater Home School Association were held Wednesday evening in the Blackwater school, and a good crowd attended.

The literary committee made drawings on the building erected made by Miss Harrietson Capron, and the lucky winner was Frances ...

... .. A D. Colesworth

Mr. Lampitt advised all the group on immediate action. They should discuss the problem with the child's parents, the school teacher and experience. The school principal should be contacted together, stressed Mr. Lampitt.

The attitude of the child toward his schooling is developed in the home. The parents should teach

him to discuss some of the social problems. The theme of business discussed were the school pump, the shaking rack, the burning of the community hall to show the films of the national

The students took word was given by the grade three and four students and refreshments were served by Mrs. Rao and the grade three and four pupils.

The meeting was turned over to the singing, who introduced the four speakers: Mrs. Loretta De Man, E. Austin, Norman Browner, and A. Lampitt.

Miss De Ma spoke on what a teacher must know on the subject matter he is teaching. He must not be unapproachable and should be willing to help the student at all times.

Mr. Lampert mentioned some problems of the teacher. Some parents send the child off to school and are not interested in the child with him. School is placed last on the list of things the child has to do. As a result children may become bored and lose interest.

June Allison  
Gender: female, hair: brown, eyes: blue, height: 5' 10", weight: 120 lbs.  
Gloria whose mother is a teacher, you will find all these qualities that make a perfect teacher.

Gender: female, hair: brown, eyes: blue, height: 5' 10", weight: 120 lbs.  
Gloria whose mother is a teacher, you will find all these qualities that make a perfect teacher.

AT THE END OF THE MONTH, JANUARY 23, 9 a.m. THE OFFICE OF THE CHAIRMAN

ing to participate in sports and community affairs. Poverty is frowned upon by students, Miss De Maio felt. A teacher should have fun and pleasant appearances at all times. A sense of humor is essential, stated Miss De

Mr. Austin speaks on what a parent expects of a teacher. Individuality must be retained in both teacher and pupil to build intelligent citizens. A teacher should not "spoon-feed" children. He should emphasize the importance of discussion of the child would be beneficial. It must be remembered, however, that most children are average. The whole family should take part in community affairs. Last but not least a home is more important than a school.

must be retained. A high degree of tolerance of racial and religious principles should be transferred from teacher to pupil. Freedom of expression should be encouraged but this must not lead to disruption. Close parent-teacher relations must change because democracy has changed. Our children are tomorrow's citizens. The meeting closed with the singing of "God Save The Queen."

AT ALIX — The Alix home and school association held their regular meeting on Wednesday last week with president Charlie

Mr. Austin stated, a teacher's influence goes beyond the classroom. The teacher must be the right type of influence.

Norman Browner spoke on what a teacher expects of a pupil. He

and a page will turn to continue the program. The current speakers in the program are: convener, Art Keston, who explained a panel discussion on juvenile delinquency would be the topic.

Time on the panel was: H. S. 10:00-10:30 a.m.

# Weakness

How common is it  
 among men and women  
 over a certain age?

Weakness - whether chronic or acute - is a common ailment of men and women over a certain age. It is a condition which may be caused by many factors, such as overwork, lack of sleep, poor diet, and lack of exercise. It is a condition which may be cured by many means, such as rest, exercise, and a change of diet. Dr. Cheney's Heart Food is a powerful remedy for weakness, and it is the only remedy which has been proven to be effective in curing this condition.

How long should you take  
 Dr. Cheney's Heart Food?

It will take about 10 to 15 days to feel the effects of this powerful remedy. It will take about 30 to 45 days to feel the full effects of this powerful remedy. It will take about 60 to 90 days to feel the complete effects of this powerful remedy. It will take about 120 to 150 days to feel the permanent effects of this powerful remedy.

At the end of a week you will be able to feel the effects of this powerful remedy. At the end of a month you will be able to feel the full effects of this powerful remedy. At the end of two months you will be able to feel the complete effects of this powerful remedy. At the end of three months you will be able to feel the permanent effects of this powerful remedy.

## Speaker Gives "Lions" Meaning

First letters of the word, "Lions" stands for liberty, intelligence, and nation's safety — stated the Lions district governor from Meriville, Walker Elliott, at the L.M.C. last Friday night.

It was the occasion of the LaCombe Lions club 17th annual banquet, which took place at the

under night and moon light, and some 300 club members and guests enjoyed a sumptuous banquet and dancing at Westland's grand ballroom.

the night she married their Lamuche brother last Friday night by getting "a loan baby." The occasion was the 17th annual charter night of the Pooka lodge, which was held at the Pooka lodge last Friday night. Local news of the event was fairly good, but the majority of the night-returned guests don't seem to have any charge of the event.

**er Reported  
Wedding In Godsby  
Lake District**

**GDGSBY LAKE.**—H. Plaster is a hard of deep feeding on stacks near his buildings. Says they are trampling the wheat, causing much waste.

And Mrs. W. Hemen and they attended the wedding of former's brother, Howard

where Roberta Liddell and Mother. On February 2, the union sponsored a film, "The World's a Stage," which was enjoyed by a large crowd. Last Friday, the high school association sponsored a social, card party. Pictures shown to those who were interested in cards. Seventy of military whist were played. Winners were Mrs. D. Mrs. C. Jensen, Henry and Art Lee, while the collection raised \$100.00.

of Mrs. Levi and William one hundred and fifty were in attendance, so the of the sponsors would be a good fund.

to strip William's prize tree in front of his house. Some shaking and part of a load of coal to get him down the tree but the little fellow went be ocious so men he climbed the gate post and away at a link of the tree. Father, like the past few days, so far, are starting the 10 to 30 degrees are quite comfortable for and beast.

The "curious sets" in of the country have weather on their side a while this season. N.Y.

she was doing when she erases some of these or  
and laying in January.

## Rockets Close Season With Double Victories

Lacombe Rockets finished the season with a double victory over the visiting, and winning 1-0 in the final game of the season on Saturday night at the Lacombe rink. The Rockets, who had been in the lead since the first game, won the season with a 1-0 victory over the visiting, and winning 1-0 in the final game of the season on Saturday night at the Lacombe rink.

It was a close contest, with the Rockets leading 1-0 in the first period, but the visitors fought back to tie the game at 1-1 in the second period. The Rockets then scored again in the third period to win the game 2-1.

The Rockets' victory was a well-deserved one, as they had been in the lead since the first game. The visitors, on the other hand, had been in the lead for most of the season.

**Class Meeting**  
 Tuesday, April 3

An open forum on student report cards was held in the classroom of the Class of 1956 on Tuesday, April 3, commencing at 8:00 p.m. The class discussed the merits and demerits of the report card system and voted on several resolutions.

As a teacher or employer in a natural gas "Lacombe" plant... but here is a warning sign to those who are careless about the gas that could reduce its efficiency as a fuel. To further "spruce up" your gas, adjustments are made to remove carbon, water, and other impurities which are not only wasteful but also dangerous to health and equipment.

**Five Students**

### Trip to Ottawa

Five local high school students will be guests at the regular noon luncheon meeting of the Lacombe Rotary club tomorrow, when they will give their speeches for the annual "Adventures in Citizenship" trip to Ottawa.

The five competing are Mark Sharp, Shirley Dettler, Neve Bird, Joanne Kivett and Gerald Offett, all of Lacombe.

This is the fourth consecutive year that the local Rotary club has sponsored the trip to Ottawa. The students must first write

These five then have to give an oral speech, at which time one is chosen to go to Ottawa.

## Club Elects as President

There was some discussion regarding roof shingles, and the installation of water filter before flooding in future years.

Retiring president Herb Puroch volunteered to look after the clean-up committee of the rink as a whole.

Utility services have now been cut off at the rink, and curling activity is finished until next fall.

**As Movie, "Brigadoon"**  
**At Last! Monday**

A big three-star cast of Gene Kelly, Jane Johnson and Cyd Charisse brings the spectacular Broadway musical "Brigadoon" to the screen for a three-night stand at the Lust Theater next Monday.

It's the story of fantasy about two Americans going-busting in the Scottish highlands. There's romance, too, the quaint and village life of Brigadoon, and what happens after that forms the story.

### Request Change in School Bus Route in Lacombe Area

A delegation of their representatives from Lacombe, J. Conklin, J. Shaw, Ross Lacombe and Carl Olson, were present at the school board meeting on Tuesday. They requested the board to have the school bus route changed to come closer to their homes after school. The matter was left to be decided by the board.

### Frank Chibben Held This Week at Lacombe Hothouse

A chicken with 14 legs turned up this week at the Lacombe Hothouse. The chick, a White Rock-Lake hatchling, was hatched with 14 legs on one foot, and lost two on the other foot. If it had only been two legs, what a chicken!

### DRY CLEANING SERVICE

### Charles L. Wiens, Editor of Star Independent, Passes On

Charles L. Wiens, popular and well-known editor and publisher of the Star Independent, passed away last Thursday. One of the pioneer residents of Lacombe, he was well known throughout the province, and popular in newspaper circles across Canada.

### Funeral services will be held at Star Independent

The independent will continue publication under the control of the deceased's son, who has been named as executor of the estate for a number of years.

### Big Tournament Planned

Plans for Lacombe Lions hockey tournament of this week, and increased in Western plans for the upcoming the ball day and Thursday, June 17 and 18, and the tournament.

Only Lions definitely accepted for this year is the Grimsby team, winner of last year's tournament, and later Alberta provincial champions. The Grimsby team are greatly improved this year, and will be a definite threat to take in the tournament.

Next Lions meeting will be at the ball park next Thursday.

### Spring Bull Sale Opens on Wednesday

One of the largest, profitable cattle sales in the province gets underway at the sales pavilion here today Wednesday, when 150 head of cattle are sent through the auction block. The following day, May 18, there will be a show and sale of 140 Aberdeen-Angus bulls. Central Alberta agricultural society's annual spring sale will come to a close the following week, June 4 and 5, at its location of 300 head of cattle.

Judging of each breed will take place at 2:00 a.m., with the sale starting immediately afterwards.

Index of contributors outlined in the sales catalogue shows a large number of local entries, in all three breed classes. As such, interest is expected to run high not only in the sales but also in a heavy volume of purchases which is anticipated. In all cases, bulls will be sold in order, under the following age categories: 18 to 24 months, 25 to 30 months, 18 months and under, over 30 months.

President of the agricultural society is J. S. Henderson. Vice-presidents are C. F. Darns and Hugh Sharpe. Secretary is Murray Campbell. In charge of all sales arrangements, Auctioneers for the 1956 sale will be C. F. Darns of Bentley, Arthur Boyce of C.M.A. and Alton Baker of High River.

Preceding the sale, central Alberta Short-horn club is sponsoring a banquet in the L.M.C. tent Thursday, commencing at 7:00 p.m. Dr. Howard Friesen, of the Lacombe experimental station, will be guest speaker, with a illustrated talk on "Farming in Europe."

### Well-Known District Couple Observe 50th Anniversary

Compliments go to Mr. and Mrs. Albert H. Bantley, who are celebrating their 50th anniversary today. The couple have been married for 50 years, and their children are all grown up. They are now living in the city of Lacombe.

### THE LACOMBE GLOBE, THURSDAY, MAY 24, 1956

Looking Over The School Picture

What's the school picture of the Lacombe school division going to be in five years? How many more will be added? How many teachers? These are only a few of the questions asked by school division officials and independent surveyors during the past month. Shows above, school superintendent Hugh B. Ross points to some figures forecasting the number of grade one pupils in Lacombe in 1950, 1960 and 1970. Consulting with Mr. Ross is secretary-treasurer Edgar Telford, left, while seated is Miss Clara's Fulton, superintendent at the division.

## Boys' Basketball Team Wins Championship

Left to right: Back Row: Terry Chapman, Vern Miller, George Stothart, Bill Atkinson, Jim Benson, Jim Bentley, Ron Wright. Front Row: Dave Sackert, Gerald O'Brien, Dennis Hopkins, Ron Bailey, Mr. Lavers coach.

## Boys' Basketball Squads

The Senior boys captured the Provincial Central Alberta title this year with Pembroke the Red Deer Ramblers, and the Lacombe team. The boys played each team twice, winning two games and losing four.

They also made two trips for exhibition games, one to Edmonton, and one to Vancouver. On both trips, the Lacombe boys came through with a win.

Our team entered the Provincial Central Alberta playoffs in the Central zone. Then they played Pembroke, then the Red Deer Ramblers, and the Lacombe team. The boys played each team twice, winning two games and losing four.

An all star team was picked from the Senior Boys and Men's teams in a challenge game against the Edmonton Ramblers. Men's Squads left with a half victory of both boys.

The Red Deer basketball team was a successful season. Lacombe boys were their first to games to place them in the play off against Central zone. Our aggregation downed the cheer squad.

Morgan Myers, Shirley Disher, Mary Fawcett, Joanne Kern, Irma Peters, Pat Disher, Hazel Pith, K. Paddy Adams, Elva in back, Mrs. Boudie.

They were in a skill they made up in enthusiasm and initiative.

## Houseleague Volley Ball Popular

The girls and boys' houseleague volleyball had a very successful year. The league was not as successful as last year, but it was a success.

The girls and boys' houseleague volleyball had a very successful year. The league was not as successful as last year, but it was a success.

The girls and boys' houseleague volleyball had a very successful year. The league was not as successful as last year, but it was a success.

Back Row, Left to Right: Loretta Payne, Natalie Nimetz, Marie Sharp, Elizabeth Norman, Bernice Atkinson.

## Senior "A" Girls Top Central Hoop League

Our girls are once more in the "Tonight" for their team. Central Alberta that it takes Lacombe to make a basketball team.

Not only did our basketball team take the League Championship, but they also won the Red Deer tournament.

The league consisted of Red Deer "A" girls, Red Deer "B" girls, Red Deer ladies, Inglewood, and Lacombe "A" girls. The league got under way approximately the second Friday in December and ran till about the middle of April.

In Red Deer ladies and our girls won the trophy and were crowned the season. They took not for the championship.

The girls were the best out of three series. Lacombe took the first game, while Red Deer took the second. Lacombe came charging back on the 10th of April to secure the championship with a score of 49-24.

Our losses also made the semifinals of the provincial playoffs. Lacombe took Red Deer "A" girls out of the series in two games straight.

March 20 the half-finished Lethbridge team made their appearance in Lacombe. The first game was played for Monday night where our hoopers were defeated 33-18. The following game came on Tuesday night where they were again beaten 31-20. It was a joyous Lethbridge team who left Lacombe on March 21.

A Lethbridge coach and coach of Lacombe "A" girls, Mrs. Mary Clarke, proved to have what it takes to coach a winning team. For Lethbridge defeated Central zone and captured the Alberta championship.

On April 14 our local squads travelled to Red Deer for the annual Central Alberta basketball.

They were Tops.

Back Row, Left to Right: Loretta Payne, Natalie Nimetz, Marie Sharp, Elizabeth Norman, Bernice Atkinson.

per day using

**SHUR-GAIN**

**Beefmaker D.E.S.**

with  
**Diethylstilbestrol**

---

That is what was done by a well known Cattle Feeder of Stettler, Alta. See actual photos at our office.

Here is the story behind these amazing results—

Nine weeks ago April 19, Shur-Gain Beefmaker D.E.S. with Dethwithcontrol was introduced to the cattle feeders of Alberta by Canada Packers Ltd. In April we promised you:

- 15% Greater Gain During The Feeding Period;
- 15% Less Feed Needed for Every Pound of Gain.

Today, hundreds of Shur-Gain customers have found that Shur-Gain Beefmakers D.E.S. will do even more than we promised. See actual photos at our office.

Canadian Press Newspaper Association  
Aide Bureau de Circulation  
Class "A" Within of Canada

## Public Opinion

Public opinion on the various proposals for the new constitution is being expressed by the public in a number of ways. The most common is the use of the ballot box. In the recent election, the public expressed its opinion on the new constitution by voting for or against it. The results of the election were a clear indication of public opinion on the issue.

While local citizens undoubtedly take an interest in the referendum, that interest is often manifested in their own way.

## A Question of Time

If the time of day is not surprising, it is surprising how the time is used by the public. The time is used in a number of ways. The most common is the use of the ballot box. In the recent election, the public expressed its opinion on the new constitution by voting for or against it. The results of the election were a clear indication of public opinion on the issue.

## Civil Defence Plans

Field Marshal Montgomery has expressed his opinion on the new constitution. He has expressed his opinion in a number of ways. The most common is the use of the ballot box. In the recent election, the public expressed its opinion on the new constitution by voting for or against it. The results of the election were a clear indication of public opinion on the issue.

## Reflections of The Times

Cattle Futures Looks Bright  
A significant feature of the cattle market is the fact that the market is looking bright. This is due to a number of factors, including the fact that the market is looking bright.

## A C.C.F. Victory

The only province in the dominion with a Social Government, Saskatchewan, returned the C.C.F. to power in an election last week that had created widespread interest. It marked the first time that Social Credit had enough candidates in the field to take office.

## Good For Thought

This being baseball week in Lacombe, we begin with a baseball story. The story is about a baseball game that was played in Lacombe. The game was a close one, with the home team winning in the end.

## Planning Notes

Some of the more recent planning notes from the Lacombe planning committee are as follows. The committee has been working on a number of projects, including the development of a new park and the improvement of the town's infrastructure.

[illegible]

This report also advised the Board on the number of students expected to enroll at each centre for the next six years and the number of rooms it was felt would be required to handle the increase in enrolments so that the public may be thoroughly informed of its plans and the reasons therefor, the following information is presented regarding the extent and necessity of the building program:

The attendance in this area would appear to be very stable. Any sudden influx will necessitate building additional classrooms. However, the Board feels that the small one-room school on the grounds must be replaced by an addition to the existing school building. The addition of two rooms would eliminate one of the rooms presently in use; this room would be used for a connecting hallway, principal's office, and washrooms. The present basement washrooms are inadequate and badly located. They are difficult to supervise and hard to keep clean, and should be moved to the

| Pre-school enrolments indicate the following |      |      |      |      |      |
|----------------------------------------------|------|------|------|------|------|
| 1980                                         | 1987 | 1993 | 1999 | 2000 | 2001 |
| 12                                           | 13   | 13   | 13   | 10   | 14   |

The cost of this project is estimated at \$41,000 with grants estimated at \$10,000 leaving a net cost to the Division of \$31,000.

The substantial growth of the Town of Lacombe in the past few years has strained the capacity of the existing schools. In 1948 when the new high school opened, the local board thought they had enough classrooms to take care of all future requirements. Since that time a new elementary school of eight classrooms has been added. The enrollment for the past year was just over one thousand pupils and there are still three rural schools in this area offering Grades 1 to 6. It is anticipated that due to the difficulty experienced in getting teachers for rural schools these children will have to be brought to Lacombe.

Pre-school enrollments indicate that from 90 to 120 beginners may be expected each year for the next six years. From the survey submitted it will be necessary to provide 20 classrooms for pupils of Grades 1 to 6. In the Junior High School each grade has over 80 pupils and the present building is inadequate. The new building expected in the next few years To accommodate these pupils at least ten classrooms will be required. In the High School there are ten classrooms including a commercial room and a science laboratory. Considering the number of drop-outs at this level, these rooms would appear adequate for the next few years, but this building must in future be used entirely for high school pupils.

[illegible]

The Board anticipates that thirty-eight classrooms will be required for school opening in September and is faced with the necessity of renting church halls and other buildings to provide essential classroom space, without being able to eliminate any of the unsatisfactory classrooms presently in use.

The Board is proposing the construction of twenty-four classrooms at Lacombe of which twelve classrooms and a gymnasium are to be added to the new elementary school, along with additional washroom facilities, a staff room and a furnace room. The remaining 12 classrooms will be built to provide suitable accommodation for Junior High School students.

Addition to the Elementary: estimated cost of 12 classrooms is \$261,000 with grants at \$6,000 per room or \$78,000 leaving a net

By the addition of a gymnasium to the above structure to serve the pupils of grades 1 to 6 the estimated cost would be \$316,000, the Board would then receive grants on the number of rooms served or 28 rooms at a rate of \$7,700 per room or \$216,400 with a net cost to the Division of \$101,600.

The estimate of cost for the Junior High school is \$260,000 with a gross estimate of \$21,000 leaving a net cost to the Division of

It has been recommended that Alix offer Grads 1 to 9 — similar to Cline and Mirror — and that the high school students will attend the proposed east central high school.

Pre-school enrolments indicate the following

One teacher to each grade will be sufficient for the enrolment at this school for a number of years. There are sufficient classrooms in the existing building and in the new wing just added. The school site and playground facilities are very limited and the Board contemplates acquiring additional land near the school if at all

The attendance area at Mirror is fairly well established with all schools now being centralized.

Pre-school enrolments indicate the following

| 1996 | 1997 | 1998 | 1999 | 2000 | 2001 |
|------|------|------|------|------|------|
| 26   | 31   | 29   | 29   | 29   | 29   |

Due to the heavy enrolment in Grade 1 each year, it would appear that ten

rooms will be necessary to take care of the instructional needs of Grades 1 to 9 with the high school pupils being bused to a central high school. There are sufficient classrooms at this centre to provide for these students when the Board's plan for a central high school is completed.

During the past year considerable difficulty was experienced with the heating units in both schools at this centre. The Board has investigated and is faced with the necessity of installing a central heating system to take care of both schools. This would entail considerable expense but would undoubtedly give much better service and eliminate a fire hazard, which presently exists in the schools.

As a result of the survey made, the following suggestions were given to the Board. That Slatwood continue to offer Grades 1 to 11

When a network is not a tree, the following

| 1966 | 1967 | 1968 | 1969 | 1970 | 1971 |
|------|------|------|------|------|------|
| 21   | 20   | 21   | 19   | 21   | 20   |

These figures indicate a fairly stable attendance area and also indicate classes too small for a teacher per grade. It appears, therefore, that two teachers will be required for Grades 1, 2 and 3, two teachers for Grades 4, 5 and 6, and two teachers for Grades 7 to 11.

To take care of this anticipated enrolment, the Board finds it necessary to add two classrooms to the existing building. This will eliminate the old Bethwood school building which is still being used. In order to provide better service to the pupils in this school, it is necessary that a science and typing room, as well as two

The estimated cost of this project is \$50,000 with an estimated grant of \$15,000 leaving a net cost to the Division of \$35,000.

Last year the Board, in order to accommodate the overflow at this centre divided a classroom into two rooms which have now become too small to accommodate the larger classes requiring this space. As a result of the removal of this partition there is a loss of one classroom in this school. The Board has also moved in two rural schools. With the addition of these pupils graduating and an expected registration of fifty-four in Grade 1, it would appear that two additional classrooms will be required this fall.

The present school has to have a new larger boiler to heat it. The present boiler has too small a capacity and the building is not well heated and is uncomfortable. Estimated cost of this repair is \$15,000.

A principal's office, a staff room, washrooms and boiler room must be provided. This will enable the Board to dispose of the two-roomed brick school, which is obsolete, and the two rural schools presently in use, and to convert a small classroom into a staff room, which is urgently needed in the main building. All of these old buildings are hard to heat and very difficult to administer because they are not located near the main building.

Pre-school enrolments indicate the following:

The Board proposes to build this school on land recently acquired, immediately east of the main school. The necessity for a new, larger shop is amply demonstrated by the poor facilities presently in use. The room has poor lighting, the ceiling is very low, the doors are poorly located and it is almost impossible to get material through them. The fire hazard in using this room is very high and the noise from this shop interferes with the classrooms above it.

The eventual classroom picture at Bentley would appear to be 18 rooms for Grades 1 to 9 and three rooms for Grades 10 to 12. The estimated cost of this project is \$315,000 and the estimated grant is \$82,500, leaving a net cost to the Division of \$232,500.

The integrators are well aware of the fact that the Division has just completed the construction of six classrooms at this centre. Previous to this construction, two classrooms were housed in the old Skerville school, (now condemned), one class in a rural school building on the grounds and two classes in the Lion's Hall. The Board were, therefore, able to gain only two rooms. Following the changes effected by the Boundary Commission in January of 1955, three school districts were added to this Division in the Skerville area, and all the rural schools have been consolidated.

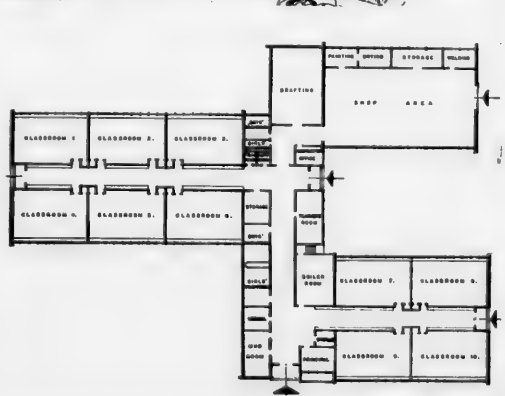

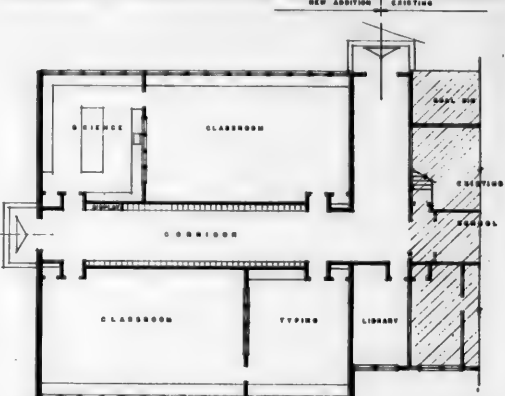

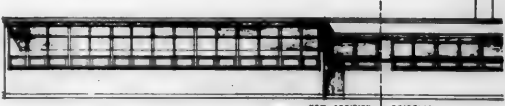

Pre-School enrolments indicate the following:

| 1986 | 1987 | 1988 | 1989 | 1990 | 1991 |
|------|------|------|------|------|------|
|------|------|------|------|------|------|

The present enrolment is 360 pupils and 18 rooms are required to accommodate them. Five grades have heavy pupil loads ranging from 36 to 40 students. In order to take care of these pupils properly, the Board feels that two more classrooms must be added to this school and that a gymnasium be provided, because there are no facilities in the town for physical education or student activities. In addition, the present washrooms in the old school building are very unsatisfactory and new in-

The playgrounds at this center consist of less than 2 acres. The report contained a recommendation that additional land be purchased as near the school grounds as possible.

The estimated cost of two classrooms, washrooms and a gymnasium is \$412,000 with grants estimated at \$24,000 leaving a net cost to the Division of \$368,000.

## 1936 BUILDING PROGRAM

Early in May of this year the Lacombe Division Board, retaining the account for a large building program, requested the Department of Education to appoint two men to conduct a survey of the Division. The two men selected were Dr. Barrie and Dr. Ross. The Board's instructions to the men were that they carry out a complete survey of the Division, report the present facilities, indicate the needs and advise the Board on the building requirements for the next few years. Their report was submitted to the Board and is quoted in following: "The Lacombe School Division divides itself naturally into three major sections, each containing approximately one-third of the school population. The central area is served by schools at Lacombe — Grades 1 to 12 — and at Blackfalds — Grades 1 to 8. The structural needs of the western section are met by the Lacombe school building, each offering Grades 1 to 12. The western portion includes a number of popular centers, each served by its individual system of roads. Lacombe, however, is situated in the heart of the river, and with its rolling country should continue to be present to offer instruction in Grades 1 to 12. In the remainder of the section, some desirable and desirable to operate three neighborhood schools by offering Grades 1 to 8 at Clive, Mirror and Alia. It is recommended that all high school or instruction — Grades 10 to 12 — for this western section be effected at a new central school."

This report also advised the Board on the number of students expected to attend each center for the next six years and the number of rooms it was felt would be required to handle the increases in enrolments. It also the public may be thoroughly informed of its plans and the reasons therefor, the following information is presented regarding the extent and necessity of the building program.

## BLACKFALDS

The attendance in this area would appear to be very stable. Any sudden influx will necessitate building additional classrooms. However, the Board feels that the small one-room school on the grounds must be replaced by an addition to the existing school building. The addition of two rooms would eliminate one of the rooms presently in use; this room would be used for a connecting hallway, principal's office, and washrooms. The present lavatories are inadequate and badly located. The addition of two rooms to the building would be necessary to provide a principal's office, a washroom, and a room for the supervisor and hard to keep clean, and should be moved to the main floor.

Pre-school enrolments indicate the following:

| 1935 | 1936 | 1937 | 1938 | 1939 | 1940 | 1941 |
|------|------|------|------|------|------|------|
| 13   | 13   | 13   | 13   | 13   | 13   | 14   |

The cost of this project is estimated at \$41,000 with gross estimated at \$14,000 leaving a net cost to the Division of \$27,000.

## LACOMBE

The substantial growth of the Town of Lacombe in the past few years has strained the capacity of the existing schools. In 1936, when the new high school was opened, the local board thought they had enough classrooms to take care of all future requirements. Since that time a new elementary school of eight classrooms has been added. The enrolment for the past year was just over one thousand pupils and there are still three rural schools in the area offering Grades 1 to 8. It is anticipated that due to the difficulty experienced in getting teachers for rural schools that these children will have to be brought to Lacombe.

Pre-school enrolments indicate that from 90 to 100 pupils may be expected each year for the next six years. From the survey submitted it will be necessary to provide 30 classrooms for pupils of Grades 1 to 8. In the future high school building has been added 20 pupils at the present time, and even heavier grades are to be expected in the next few years. To accommodate these pupils and to have classrooms will be required. In the High School there are two classrooms including a commercial room and a science laboratory. Considering the number of drop-outs at this level, these rooms would appear adequate for the next few years, but this building must be future be used entirely for high school pupils.

At the present time the Board has 34 classrooms in operation in Lacombe. It is the Board's intention that the High school building be used as a classroom; it is the new elementary, and 1 classroom in a rural school building. On several occasions the Department of Education has recommended to the Board that the third story of the Helen school should be closed. During the past two or three years, Westcliffe, Canmore, Estrie and Cranbrook have found it necessary to discontinue use of buildings similar to the Helen school and replace them with new modern schools. It might be felt that the Board should carry out a repair and modernization program in this building. The Board cannot recommend this as it would cost many thousands of dollars to replace the heating system, replace the windows and provide ample and all of the other things in this building. The Government does not allow any grant for repairs and remodeling of old buildings and is strongly opposed to the building of new buildings on buildings that have become obsolete. The report of the Department of Education's building inspector is that this building is in such poor condition that it should be replaced in some way possible.

The Board anticipates that thirty-eight classrooms will be required for school opening in September and is faced with the necessity of renting church halls and other buildings to provide additional classroom space, without being able to eliminate any of the unsatisfactory classrooms presently in use.

The Board is proposing the construction of twenty-four classrooms at Lacombe of which twelve classrooms and a gymnasium are to be added to the new elementary school, along with additional washroom facilities, a staff room and a furnace room. The remaining 12 classrooms will be built to provide suitable accommodation for Junior High School students.

Addition to the Elementary estimated cost of 12 classrooms is \$24,000 with gross at \$2,000 per room or \$7,200 leaving a net cost to the Division of \$16,800.

By the addition of a gymnasium to the above structure to serve the pupils of Grades 1 to 9 the estimated cost would be \$24,000, the Board would then require grant in the amount of \$2,000 per room or 33 rooms at a rate of \$7,700 per room or \$25,400 with a net cost to the Division of \$23,400.

The estimated cost for the Junior High school is \$200,000 with a gross estimate of \$23,000 leaving a net cost to the Division of \$177,000.

## ALIX

It has been recommended that Alix offer Grades 1 to 8 — similar to Clive and Mirror — and that the high school students will attend the proposed central high school.

Pre-school enrolments indicate the following:

| 1935 | 1936 | 1937 | 1938 | 1939 | 1940 | 1941 |
|------|------|------|------|------|------|------|
| 27   | 28   | 29   | 30   | 31   | 32   | 33   |

One teacher in each grade will be sufficient for the enrolment at this school for a number of years. There are sufficient classrooms in the existing building and in the new wing just added. The school site and playground facilities are very limited and the Board contemplates acquiring additional land near the school at an early date.

## MIRROR

The attendance area of Mirror is fairly well established with all schools now being centralized.

Pre-school enrolments indicate the following:

| 1935 | 1936 | 1937 | 1938 | 1939 | 1940 | 1941 |
|------|------|------|------|------|------|------|
| 27   | 28   | 29   | 30   | 31   | 32   | 33   |

Due to the heavy enrolment in Grade 1 each year, it would appear that ten rooms will be necessary to take care of the enrolment needs of Grades 1 to 8 with the high school pupils being housed in a central high school. There are sufficient classrooms at this centre to provide for these students when the Board's plan for a central high school is completed.

During the past winter considerable difficulty was experienced with the heating unit in both schools at this centre. The Board has investigated and is faced with the necessity of installing a central heating system to take care of both schools. This would entail considerable expense but would undoubtedly give much better service and eliminate a fire hazard, which presently exists in the schools.

The estimated cost of this remodeling is \$28,000.

## SATINWOOD

As a result of the survey made, the following suggestions were given to the Board. The Satinwood section is offered Grades 1 to 11.

Pre-school enrolments indicate the following:

| 1935 | 1936 | 1937 | 1938 | 1939 | 1940 | 1941 |
|------|------|------|------|------|------|------|
| 21   | 22   | 23   | 24   | 25   | 26   | 27   |

These figures indicate a fairly stable attendance area and also indicate classes too small for a teacher per grade. It appears, therefore, that two teachers will be required for Grades 1, 2 and 3, two teachers for Grades 4, 5 and 6, and two teachers for Grades 7 to 11.

To take care of this anticipated enrolment, the Board feels it necessary to add two classrooms to the existing building. This will eliminate the old Satinwood school building which is still being used. In order to provide better service to the pupils in this school, it is necessary that a classroom and typing room, as well as two additional classrooms be added.

The estimated cost of this project is \$20,000 with an estimated grant of \$15,000 leaving a net cost to the Division of \$5,000.

## BENTLEY

Last year the Board, in order to accommodate the overflow at this centre, divided a classroom into two rooms which have now become too small to accommodate the larger classes requiring this space. As a result of the removal of this partition there is a loss of one classroom in this school. The Board has decided to move to two rural schools. With only sixteen pupils graduating and an expected enrolment of fifty-four at Grade 1, it would appear that two additional classrooms will be required this fall.

The present school has to have a new larger boiler to heat it. The present boiler has too small a capacity and the building is not well heated and is uncomfortable. Estimated cost of this repair is \$15,000.

A new school consisting of ten classrooms, a full size shop room, a principal's office, a staff room, washrooms and boiler room must be provided. This will enable the Board to dispose of the two-roomed brick school, which is obsolete, and the two rural schools presently in use, and to convert a small classroom into a staff room, which is urgently needed in the main building. All of the buildings are hard to heat and very difficult to maintain because they are not heated over the main building heating system.

Pre-school enrolments indicate the following:

| 1935 | 1936 | 1937 | 1938 | 1939 | 1940 | 1941 |
|------|------|------|------|------|------|------|
| 54   | 55   | 56   | 57   | 58   | 59   | 60   |

The enrolment for the fall term would appear to be over 500 students or the equivalent of 30 classrooms.

The Board proposes to build this school on land recently acquired, immediately out of the main school. The necessity for a new, larger shop is amply demonstrated by the poor facilities presently in use. The room has poor lighting, the ceiling is very low, the doors are poorly located and it is almost impossible to get material through them. The fire hazard in using this room is very high and the noise from this shop interferes with the classrooms above it.

The eventual classroom program at Bentley would appear to be 15 rooms for Grades 1 to 8 and three rooms for Grades 9 to 12. The estimated cost of this project is \$215,000 and the estimated grant is \$22,000, leaving a net cost to the Division of \$193,000.

## ECKVILLE

The railways are well aware of the fact that the Division has just completed the construction of six classrooms at this centre. Previous to this construction, two classrooms were housed in the old Eckville school, which is now used as a rural school building on the grounds and two classrooms in the Lion's Hall. The Board feels, therefore, able to give only two rooms. Following the change offered by the Boundary Commission in January of 1933, three school districts were added to this Division in the Eckville area, and all the rural schools have been centralized.

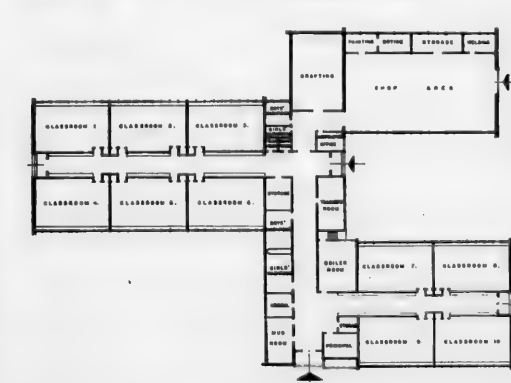

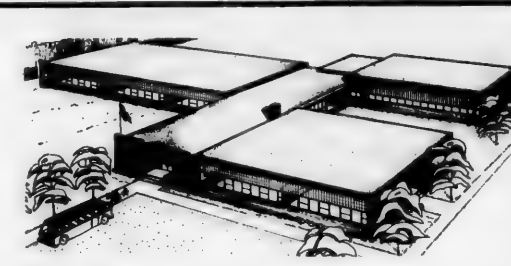

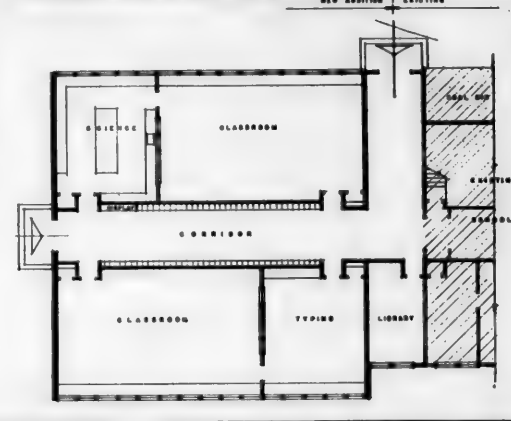

Pre-school enrolments indicate the following:

| 1935 | 1936 | 1937 | 1938 | 1939 | 1940 | 1941 |
|------|------|------|------|------|------|------|
| 54   | 55   | 56   | 57   | 58   | 59   | 60   |

The present enrolment is 300 pupils and 13 rooms are required to accommodate them. Two grades have heavy pupil loads ranging from 30 to 50 students. In order to take care of these pupils properly, the Board feels that two more classrooms must be added to this school and that a gymnasium be provided, however there are no facilities in the town for physical education or student activities. In addition, the present washrooms in the old school building are very unsatisfactory and new facilities must be provided.

The playgrounds at this centre consist of less than 2 acres. The report contained a recommendation that additional land be purchased to near the school grounds as possible.

The estimated cost of two classrooms, washrooms and a gymnasium is \$115,000 with grant estimated at \$45,000 leaving a net cost to the Division of \$70,000.

## COFFEE LAYER CAKE!

Combine  
1/2 c. with  
1/2 tsp. vanilla

Add dry ingredients to creamed mixture alternately with milk, commencing after each addition. Turn into 2 greased 8-inch round cake pans. Bake in bathroom with ground coffee powder in paper in water tightly but not airtight, 375° 25 to 30 minutes. Top layers of solid milk together with thick raspberry jam between and on top with a coffee flavored frosting.

You can depend on  
MAGIC to protect all your  
fine ingredients - give  
you lighter, fluffier bread  
results. Try MAGIC  
Baking Powder  
next time  
you shop.

## Page Features

**MODEL AIRPLANE** summer has been a group of men. A fairly common sight at the airport, especially during the summer months, is a group of men standing around a table, looking at a model airplane. They are not just looking at it, they are also building it. The model airplane club is a group of men who are interested in building and flying model airplanes. They meet every week and work on their models. They also have a lot of fun flying them. If you are interested in building and flying model airplanes, you should join the club. They will teach you everything you need to know and you will have a lot of fun doing it.

### Ski Club Ponders Moving Tow to Bentley Hill Run

Possibility of moving the Lacombe ski club to the present hill north of Lacombe to a larger and longer hill in the Bentley district was discussed at length at a meeting held Friday evening.

Present at the meeting were representatives of the Bentley ski club, who suggested formation of a club, which might allow the Lacombe ski club to use a run in the Bentley hills area.

It was finally decided to call a meeting of all skiers in central Alberta from Bentley, Red Deer, Ponoka, Edson, and Lacombe, to discuss a proposed central Alberta ski club.

It was decided to have Mr. Walter of Lacombe give the opening to grades I and II again this year.

Mr. Walter explained the film, "World's Worst Skiing," to the club and gave a report on the 4th annual United Nations winter school held at Banff this year.

Mr. Walter also gave a report on the 4th annual United Nations winter school held at Banff this year.

Mr. Walter also gave a report on the 4th annual United Nations winter school held at Banff this year.

...death and on Sunday, Mr. J. P. Feltus, Mr. Mr. H. L. Lusk, and Mrs. and Mrs. H. J. Lusk of Port Washington.

**Track Tire Steals**  
**to Public View on**  
**Tuesday Evening**

That of a spare tire from a truck belonging to Jack A. Reiss of Leominster was reported stolen on 10 and 11th streets, at 10 o'clock, Tuesday evening, on 80 (North) street across from the Club Club.

Leominster is mystified how it was possible for a thief to work so openly—handily on a main street in the early morning hours. It was necessary to unlock

Walter Galloway, vice-president  
Wm. H. Waterbury, secretary  
Directors include Leslie Bailey, George Bailey, Gilbert Bailey, Henry Peterson, A. Swarthout, E. J. Feltus, elected Mrs. Austin A. Bailey, vice-president; Mr. William A. Gordon, vice-president; Mrs. G. Bailey, secretary; president, Directors are Mrs. Cecil J. Hault, Mrs. Henry Peterson and Mrs. Gilbert Hault.

Participants in the WCTU fund-raising at Clive Bailey's home last Thursday evening included Leola Peterson, who won the first prize in the drawing; John Hancock came in second, and Dorothy Duffy third in their respective classes.

Others taking part included

**Tuesday Evening**

That of a spare tire from a truck belonging to Jack A. Reiss of Leominster was reported stolen on 10 and 11th streets, at 10 o'clock, Tuesday evening, on 80 (North) street across from the Club Club.

Leominster is mystified how it was possible for a thief to work so openly—handily on a main street in the early morning hours. It was necessary to unlock

a strange new metal called aluminum. He wrote:

"You do not think of metal to be cheap or as worthless as gold, as easily melted or as corrupt, as things are less?" In proportion as the chemical production of aluminum becomes more and more an established fact, the more we shall find it entering into household uses—for traveling purposes, for instance, for which its lightness is no small merit."

"Very good, Charles—especially that it enters cheap domestic. That day has arrived, as Alamy's new production of the world, alas, prove."

# Rockets Climb Back on Top By Defeating Olds Elks 5-3

Bertha took today on a big upsurge in the second season. Her game was a real surprise to the Elks who had been looking for a 1-2 punch, but today they were defeated 5-3. The game was a real surprise to the Elks who had been looking for a 1-2 punch, but today they were defeated 5-3. The game was a real surprise to the Elks who had been looking for a 1-2 punch, but today they were defeated 5-3.

# Talking of Sport From Here and There...

The close of hockey being exhibited by C.A.R.L. means that there is a lot of a surprise to at least a couple of entries in the league. The game was a real surprise to the Elks who had been looking for a 1-2 punch, but today they were defeated 5-3.

And the Olds Elks, who came up with strong enough when they added Mike O'Leary to their line, and now called Calgary, was top power in the Big Six last year... but he had a long day at the rink.

Being a student has its own ups and downs. For the past three years, suggesting the best of the best in the league, but today they were defeated 5-3.

Just getting around... it's interesting to note that Bertha, playing each of the Ponsa-Bertha last year, is being mentioned in the "Lacrosse" of the W.C.L. as the best player in the league.

Rock in Horns... The game was a real surprise to the Elks who had been looking for a 1-2 punch, but today they were defeated 5-3.

Rock in Horns... The game was a real surprise to the Elks who had been looking for a 1-2 punch, but today they were defeated 5-3.

Rock in Horns... The game was a real surprise to the Elks who had been looking for a 1-2 punch, but today they were defeated 5-3.

Here's a simple to make rendition of Chowchow, that's most delicious.

### PINEAPPLE CHOW CHOW

**Ingredients:** 1/2 cup Lemon Pie Filling  
1/2 cup mayonnaise  
1 cup sugar  
1 cup ketchup  
1/2 cup white vinegar  
1/2 cup Worcestershire sauce  
1/2 cup soybean oil  
1/2 cup soybean oil  
1/2 cup soybean oil

**Directions:** In a large bowl, combine all ingredients. Mix well. Refrigerate for 2 hours. Serve cold.

### LEMON PIE, COCONUT CRUST

**Ingredients:** 1/2 cup Lemon Pie Filling  
1/2 cup mayonnaise  
1 cup sugar  
1 cup ketchup  
1/2 cup white vinegar  
1/2 cup Worcestershire sauce  
1/2 cup soybean oil  
1/2 cup soybean oil  
1/2 cup soybean oil

**Directions:** In a large bowl, combine all ingredients. Mix well. Refrigerate for 2 hours. Serve cold.

**CHESSECAKE** — plain or with fruit added — has lately been catching the fancy of families all

# INTRODUCING

The most beautiful car of all time

## CHRYSLER for 1957

The magnificent new

Windsor—4-door hardtop

Here is a motorcar that will send your pride soaring... an automobile of such beauty, luxury and unmatchable ruggedness that you will wish to admire it every mile you drive.

Totally new... with ultra-smooth Torque-Flow Ride, new flash-head Torque-Flow transmission and still greater power... the brilliant Chrysler for 1957 truly knows no rival. Only in price can it be compared to lower cars.

Comes in drive or

## Gaddy Lake

THE LATE Forshes family, who have been visiting in the community since the late 1920s, are now well established in the area.

Mr. Forshes is a well-known businessman and has been active in the community since his arrival.

His wife, Mrs. Forshes, is also a well-known community leader and has been active in many of the same organizations.

They have three children and are all well and happy.

They are now planning to spend some time in the community in the near future.

They are all very grateful for the hospitality they have received from the community.

They are all very much looking forward to their stay in the community.

They are all very much enjoying their stay in the community.

They are all very much looking forward to their stay in the community.

WALKS AMONG US

There is love of action drama

building up to a terrific climax

which should keep spectators on the edge of their seats.

Popular Victor Matton in the

lead role, but the movie also

features Robert Montgomery

and other stars. The picture

is a real gem.

Popular Victor Matton in the

lead role, but the movie also

features Robert Montgomery

and other stars. The picture

is a real gem.

### Lacombe Resident 97 Years Old Today

1997

**MRS. MARY STEVENS**

Grand old-timer of Lacombe, who observes today and will receive the warm congratulations of her friends and neighbors in this district and town. Born in England on January 24, 1861, she came to Canada and has lived in this district since 1905. Her husband, Charlie, passed away in 1905. She has a son and daughter-in-law, Mr. and Mrs. Les Stevens, 83 street. Mrs. Stevens still retains her faith in the radio and reading the paper.

### Lacombe Police Inve.

## Double Robberies Du

Two thefts were reported by Lacombe police during the past week, involving total losses of over \$300.

An expensive Anaco 35-millimetre camera was stolen from a display window of Adams Studio sometime Saturday. Its disappearance was noted at the end of the business day.

Proprietor Harvey McIntyre states the camera was valued at \$275.

Twelve tin tubes were stolen from a car parked on the C.P.R. tracks in Lacombe last Saturday.

Ray Rutland television reporter. Hedemark  
an accident

The television tubes were in a

Pallbearers were O D Harting, Blackfolds, M Wadey and

ton, L. J. Jan, Nelson Powell and R. Lisha. Carl Pangle, and K. Henderson, Interment was at the All-red memorial garden in Red Deer.

The late Mr. Duncan, who moved to the 4th district in 1934, passed away Wednesday of last week. He was 72 years of age.

Born on June 9, 1864, at Pathhead, Scotland, the deceased emigrated from the 25th country in 1912. He took up residence in the 4th River.

He homesteaded in the Coastford area in 1913, and moved to the Jaffer tract in 1924 and to the Central district in 1925.

He leaves to mourn his wife. Mildred: one daughter, Mrs. H

## James Toss Sr.

**Is Laid to Rest  
At 88 Years**

Last rites will be held this afternoon at 2:30 from the Baptist church at Clive for James Tree, 81, former resident of Clive.

The veteran old-timer passed away at the Lacombe municipal hospital last Sunday at the age of 88. The passing had an additional tragic note, occurring on the same date as the 50th birthday of his wife.

Rev. Don MacIver will officiate at the service, and interment will be made at the Clive cemetery. Brown and Johnson are in charge. Pallbearers were R. Green, G. Green, L. Green, H. McDerm, C. Johnson and J. Bell.

The late Mr. Tree was born at

1955. He moved with his parents to Iowa, U.S.A., in 1971 at the

Coming to Canada in 1901, Jim took up a homestead in central Alberta near the present Village of Teas. Four years later, he moved to the Clive district and farmed there until 1948 when he retired in the village.

The daughter was married in the year 1900 and he and his wife were recipients of congratulations less than two years ago on the occasion of their golden wedding anniversary.

He leaves his wife; one son, James J Teas of Clive; one daughter, Mrs. Cora A. Phibson of Clive; many grandchildren, and one great grandchild.

## Profitable

give rhyme until their master gives the command. Thus the race is on to see who can finish the poem. But enough, but they're no match for the great greyhound who dashes in and finishes in minutes.

Depending on the coyote's desire, the three dogs will either take the "company" after him or follow him for a distance of 50 yards up to one mile.

The coyote will bark at a barker, but he is outwitted as he has to bark on both "two" and "four" counts, and the coyote, if possible, and to stab (Toughie makes the kill for three dogs) and then the three dogs.

It's all over in about 10 to 15 minutes. The coyote will be around their prey. Once the coyote is dead, they stand a side for him and wait for his command.

It'll hunt any worse abode for him than there is old to be. The three dogs will be in the popo coming along now, aged six months. The y'll be fixed and graduated, and will be a have and enjoy to prove their worth. The word was, and recently they'll be in it.

Contrary to what you might think

## Rockets Play Indians Here Saturday

**Sylvan Lake Rink Wins Consists Zon Playdowns**

Sylvan Lake defeated Dakota in the final match of the 1987-88 Junior High School Hockey Consists Zon Playdowns. The victory was the first in the series for Sylvan Lake since 1974. The game was played at the Sylvan Lake Rink on Saturday, December 11, 1988. The game was a close one, with Sylvan Lake leading 2-1 at the end of the first period. In the second period, Sylvan Lake scored two more goals, making the score 4-1. In the third period, Dakota scored one goal, making the final score 5-1. Sylvan Lake's victory was a significant one, as it marked the first time they had won the Consists Zon Playdowns since 1974. The team's success was due to a combination of factors, including strong defense, effective offense, and excellent goaltending. Sylvan Lake's goaltender, [Name], made several key saves throughout the game, helping to secure the victory. The team's captain, [Name], led by example, scoring two goals and assisting on another. The victory was a morale booster for the team, and they are looking forward to competing in the regional playoffs. The Consists Zon Playdowns are a highly competitive tournament, and Sylvan Lake's victory is a testament to their skill and determination. The team's success is a credit to their coach, [Name], and their players. The victory is also a testament to the strength of the Sylvan Lake Rink, which has provided a great home for the team. The rink's facilities are top-notch, and the staff is dedicated to providing a safe and enjoyable environment for all players. The victory is a great example of what can be achieved with hard work and dedication. Sylvan Lake's players and coaches are proud of their achievement, and they are looking forward to continuing their success in the future. The Consists Zon Playdowns are a great opportunity for teams to showcase their skills and compete at a high level. Sylvan Lake's victory is a testament to their ability to perform under pressure. The team's success is a credit to their coach, [Name], and their players. The victory is also a testament to the strength of the Sylvan Lake Rink, which has provided a great home for the team. The rink's facilities are top-notch, and the staff is dedicated to providing a safe and enjoyable environment for all players. The victory is a great example of what can be achieved with hard work and dedication. Launce Ricketts, who has played his scheduled hockey games in the past 14 days, got a shot at last week.

## From Here And There . . .

Edmondson, Old King's coach, Poo Young is reported to be put out about the lack of public (Howard Panel) and private protection for his players. The coach is said to have been "bumped" out of the game by a non-start at Old Saturday when Edmondson defenseman Doug Messier was involved in a brawl with the fans.

We do not see a need to make, in the matter of spectators and Kings players, the same distinction as we do in the case of break out during a hockey game. But the outbreak—if the fans at MSG, is a sign of the fact that derangement in public viewing is really a lot farther toward the end of the line than the actual outbreak. The fact that the Kings played last night in an exciting hockey game, in the face of the wrath, the play of the, the charged type of the crowd, is a sign of the fact that the Kings are a team that is capable of playing in the face of the wrath, the play of the, the charged type of the crowd.

Others may shoulder him, and sticks are carried, those the al-

## Lacombe Wallops Ponoka

The game between the Rockies and the Old Kings at Edmonton Monday night must stand as one of the most boring games ever played in this league. Why? Because it became a battle of clutch and grab, charge and elbow, bull and stomp.

The presence of the Old Kings in the CMLL adds prestige to the league, but the style of hockey it has introduced has done little for the league. Real power, speed, penalty or Lemmon. Complaints about this style have been heard from every corner in this league.

Let Pat Young's charges start playing hockey again, and the CMLP project it will be required for his players.

**Wrestling Card at L.M.C.**  
**Draws Over 400 Fans**

A crowd of some 500 fans attended the wrestling rally featured by promoter Zubray at the J.C.M.C. last Monday evening (10/10).

In the main event, John Fother of Portland was given the nod twice over Tiger Joe Tomason of Portland.

Metrol Police, the first of the 11 units at 23 minutes, were the first to arrive.

Firefighters and paramedics were also present.

On him at the 20 minute mark.

The lady crowd there gave the enthusiastic crowd plenty of thrills. Barbara Baker of Charleston, West Virginia, won the match by gaining two falls to one for her opponent, Betty Jo Hawk, one of Louisville, Kentucky.

The wonderful reception from

Fuel economy is just one of the many reasons why more and more Canadians with a thrifty nature are climbing aboard the "Melecor for less" wagon. "I rent cars substantially lower. Operating costs are slim. And Melecor's Six is an well-engineered, beautifully designed, car that's structurally fairly new... except at auto shows!" And to these facts the high 140 hp rating and short-stroke low friction design, and you see why Melecor's Six is Canada's most modern, cost-against engine. It's available in all metropolitan areas. Melecor's motto: "Climb aboard... it makes good sense."

Fuel economy is just one of the many reasons why more and more Canadians with a thrifty nature are climbing aboard the "Melecor for less" wagon. "I rent cars substantially lower. Operating costs are slim. And Melecor's Six is an well-engineered, beautifully designed, car that's structurally fairly new... except at auto shows!" And to these facts the high 140 hp rating and short-stroke low friction design, and you see why Melecor's Six is Canada's most modern, cost-against engine. It's available in all metropolitan areas. Melecor's motto: "Climb aboard... it makes good sense."

### News from Chippewell and District

**CHIPPWELL.**—We are pleased to hear that the new home built by the late Mrs. J. W. Chippewell, who died last week, has been completed. The new home is a fine example of modern architecture and is well equipped with all the latest conveniences. It is a great pleasure to hear that the family is now settled in their new home.

There was a very large gathering of the family on Friday evening at the home of Mr. Chippewell. The family was very happy to see all the relatives and friends who came to see them. The evening was very enjoyable and all enjoyed themselves very much.

Mr. Chippewell is now in the hospital and is recovering from his illness. He is expected to be home in a few days.

## J. Morrison Heads Golfers

Jarl Morrison was elected head of the Lacombe golf and country club at the annual meeting held Thursday evening before the town office. Other officers are: vice-president, Art Park; secretary, treasurer, Dr. M. C. Hume; and members, Gordon Street, Jack McKeay, Don Roy, Vernon Bell, and Homer Reeves.

Financial statements were presented by Dr. Hume, and accepted by those present, and a number of matters discussed regarding planned operations for the coming year.

Question of replacing trees at the meeting.

## Baseball Club Re-Organizes

There was last night's meeting of a baseball club meeting held Thursday evening in the Lacombe Hotel. Plans for the coming year were discussed.

## L.H.S. Boys Win Central Alberta Crown

Lacombe high school boys' basketball team retained the central Alberta championship cup, and the girls' senior "A" team did the same.

For three years at the annual Red Deer tournament last week but the third to be known as the "Championship" final.

The boys' team, as usual ruled supreme, defeated Hinton, 26-14, and Lacombe, 25-18, in the final.

At the final, the boys' team of the final to be the cup for the third straight year.

Starting line-up for the boys' team last night was: Jack McKeay, center; Gordon Street, forward; Jack McKeay, forward; Jack McKeay, forward; Jack McKeay, forward.

College Life Isn't All Work

With a number of last year's players still available for summer action, and several promising youngsters, it is expected that Lacombe will have a well-rounded team.

Make-up of the central Alberta basketball league is indefinite at present. Only Hinton, Bentley, and Lacombe have definite players.

# 25th Anniversary Party in Alia

Alia, Nebraska, celebrated its 25th anniversary on Saturday, April 18, 1937. The celebration was held at the Alia Hotel and was attended by a large number of guests.

# Formal Dinner

A formal dinner was held at the Alia Hotel on Saturday night. The dinner was attended by a large number of guests and was a great success.

# Speeches

Several speeches were made during the celebration. The most notable were those made by Mr. J. H. Smith and Mr. J. H. Jones.

# Entertainment

The entertainment was of a high order and was enjoyed by all the guests. There were several musical numbers and a variety of games.

# Refreshments

Refreshments were served during the celebration. The food was of a high quality and was enjoyed by all the guests.

# Conclusion

The celebration was a great success and was enjoyed by all the guests. It was a fitting tribute to the 25th anniversary of the town of Alia.

## Safe Beds for Dessert

So many of the women who write to us say that they are tired of the old-fashioned beds that they have been using for so long. They want a bed that is safe, comfortable, and easy to use. They want a bed that will give them a good night's sleep and that will last for many years.

Our new Safe Beds are just what you need. They are made of the finest materials and are built to last. They are safe, comfortable, and easy to use. They will give you a good night's sleep and they will last for many years.

Visit our store today and see our new Safe Beds for yourself. You will be sure to find them to be just what you need.

death. There were two other occupants in the automobile, James Andrew, brother of the victim, and a cousin, Elton Andrew of Turner Valley.

The three people were on their way to White, Man., to spend Easter with his mother.

Funeral services for the deceased, a 21-year-old oil worker, were held here in the Anglican church at Turner Valley on Tuesday afternoon. Brown and Johnson of Lacombe moved the remains to Turner Valley for the funeral.

Bob Fyke is chairman of the event, and he promises an exciting evening of games for the children. There will be time and no for refreshments at the hall in the interval.

All proceeds will go toward community service enterprises.

**Thought**  
for the Week

Penitence is a crime if sought; it is only a virtue if it is not sought. It is only a virtue if we have it without they will or not.

Well-known ambassadors of song, and frequent performers on the CBC, the members of Alberta's mixed chorus will sing the three-day provincial festival "Maytime in Alberta" in Lacombe, Alberta, on the summer weekend of 8 & 9 June. Under the direction of professor R. S. Blum, the group of 50 will give a varied program of secular and sacred music. The mixed chorus "has" is comprised of students from seven nearby and school on the campus

who give of their time and opportunity for early summer jobs to bring good music to the citizens of Alberta. The 1977 excursion for the chorus is the tenth of its kind. They take lunch to the south-west coast of Vancouver Island for picnic. Last year, a tour to the Okanagan Valley brought the group further afield. The chorus is made up of students from the following schools: Carleton Place, Watlington, Merville, Cold Lake, Rossmore, St. Paul, Westridge, Vegreville,

at least the week:  
Friday, April 28 - Kristen club meeting, 4:30; T.V. bingo in auditorium starting at 8:30.  
Saturday, April 29 - Ladder-wooder's event.  
Monday, April 30 - Indemnity.  
Tuesday, April 30 - "Maytime in Alberta" (8:00 p.m.)  
Wednesday, May 1 - "Maytime" presentation: band concert, 8:00 p.m.

**Prominent Bentley Man,  
R. Edwin Chowen Dead**

Mr. Bentley, 61, died of a heart attack at his home in the Bentley hospital on Monday at the age of 61.  
 A large number of friends paid their last respects at the funeral service held in the Bentley community hall yesterday afternoon.

His funeral service was held at 10 a.m. at the Bentley community hall. The Rev. W. H. Peterson, pastor of the Bentley community hall, officiated at the service, and the Rev. W. H. Peterson, pastor of the Bentley community hall, officiated at the service.

**'Open House' At Hospital On Thursday**

"Open house" will be held at the Lacombe municipal hospital on Thursday to welcome the community hall members.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**Money-By-Law Vote on Mirror Hall Tomorrow**

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**Bentley High School Graduation Class, 1956-57**

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**Thought For The Week**

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

# THE LACOMBE GLOBE

Serving Districts of Clive, Bentley, Blackfield, Teas, Alx, Merrimack, Mirer, Chigwell, Jofin, Maynas.

LACOMBE, ALBERTA, THURSDAY, MAY 9, 1957

**So You Think That You Have A Gas Leak!**

If your nose tells you there's a strong odor of gas in the house, don't ignore the warning. Your nose may be right.

A good deal of the natural gas being used in Lacombe comes from the Newfield field in the north.

The gas from Newfield is not pure, and so a small amount of gas leaks around furnaces and pipes that were never detected before are being discovered in the first time.

Employees of Northwestern Utilities Ltd. have been busy in Lacombe this week answering some fifty complaints from house-owners — some innocent, some very real.

**Theft of \$1400 After Break-in at Fawcett Motors Ltd.**

A second break-in with a couple of weeks occurred at Fawcett Motors Ltd. Thursday morning, and \$1400 in cash was stolen from a desk drawer.

Lacombe police stated that entry to the building was made from the rear, by prying loose several panels of plywood from the big door.

**Local May "Safety Month" Campaign is Underway**

The city will be equipped up to and including Saturday, May 18.

**Bentley Mill Role Set on 53 Mills**

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**No Blame Attached In Stelfox Inquest**

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**"Maytime In A-bro" Stage Play at L.M.C. Next Wednesday**

"Maytime In A-bro" stage play will be presented at the Lacombe Memorial Centre next Wednesday evening, May 15.

The play was written by Peter O'Brien, Broadway and Hollywood actor, and tells the humorous story of a young man and his adventures in the U.F.W.A. and other community activities.

Both she and Mr. Bentley are occasionally seen at the street, at the W.A. Museum, or at the movies. They find trips to Lacombe, Bentley, etc., pleasant.

A number of friends will be present at the service, and a good deal of the natural gas being used in Lacombe comes from the Newfield field in the north.

**"Dated Nickel"**

A "dated" Canadian nickel 50 years old was dug up by a boy in Ontario.

The nickel will be worth five cents in Canada — was dated 1897.

**Graduation Exercises At Lacombe School Tomorrow**

Graduation exercises for 27 students will be held at the Lacombe school tomorrow, May 15.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**No Blame Attached In Stelfox Inquest**

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**89th Birthday At Alx For Mrs. Rowland**

From Our Own Correspondent

ALX — One of the district's first settlers, Mrs. A. M. Rowland is celebrating her 89th birthday on Tuesday, May 14.

Mrs. Rowland came from London, England, to the Alx district in 1885 and has lived in the vicinity continuously. She now resides on the Rowland farm about six miles west of Alx.

Mr. and Mrs. Rowland and her sister, Mrs. Alice Bessy, are all well and active.

A number of friends will be present at the service, and a good deal of the natural gas being used in Lacombe comes from the Newfield field in the north.

**Graduation Exercises At Lacombe School Tomorrow**

Graduation exercises for 27 students will be held at the Lacombe school tomorrow, May 15.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

**No Blame Attached In Stelfox Inquest**

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

The Rev. W. H. Peterson, pastor of the Bentley community hall, will be in charge of the service.

Found Guilty  
Passing Worthless  
Cheques Here

Charles O'Brien of the Bentley district pleaded guilty in Lacombe court yesterday to charges of obtaining money under false pretences.

He passed four worthless cheques in value, passed, sold, one at Bentley Hardware for \$25.00 at Cash Factors Limited for \$25.00 at Jack Management Ltd. for \$25.00 and at Elton's Variety Store for \$25.00, a total of \$100.00.

After passing the cheques at Bentley Hardware, O'Brien was apprehended the same evening by police chief Joe Cudde and Constable Ben Severy. The case was adjourned for June 13.

The second made full restitution on all cheques, and since there was no need for any previous conviction magistrate W. E. Cook gave a suspended sentence of 12 months.

"Air Force Day" at Penhold on Saturday

The type of air-show that thrilled over 10,000 spectators at the Penhold R.C.A. station last year, will be a feature of Air Force Day this coming Saturday, June 8, at the Penhold R.C.A. station.

Some of Canada's top aircraft will be taking part in the air show, including the all-weather intercepter, CF-105, and the CF-100 "Fighting Mustang" of the type last year's men and supplies in Blue will perform, and a British Avon jet plane will make the first of its kind in the area.

Penhold R.C.A. station last year, will be a feature of Air Force Day this coming Saturday, June 8, at the Penhold R.C.A. station.

Some of Canada's top aircraft will be taking part in the air show, including the all-weather intercepter, CF-105, and the CF-100 "Fighting Mustang" of the type last year's men and supplies in Blue will perform, and a British Avon jet plane will make the first of its kind in the area.

### Fish Hoisted Over Dam

The new Beaver River Power Company's \$10-million hydro project on the St. John River, 100 miles north of Fredericton, is rapidly nearing completion. Crews are rushing in the power house, where two 6,000 h.p. turbines will be generating electricity by the end of the year.

The two existing dams have been installed, along the first phase plan in the 1,000-ft. dam and the second of the dam. A fish house for the dam will be built over the dam.

polling Place at Fairview Changed For Election

FAIRVIEW - Voting on Monday, June 10, will take place at the home of C. E. Brown, instead of at the borough.

Mr. Brown is the owner of the house at 100 St. John Street, where the election will be held.

LACOMBE, ALBERTA, THURSDAY, JUNE 6, 1957

## Lacombe High School Graduating Class, 1956-57

Back row, left to right: George Southart, Gerald Olring, Carmel Nelson, Wesley Matthe, Henry Polas, Alan McGeehan. Third row, left to right: Norman Lowe, Teddy Lemkau, Bill Weenack, Arnold Pepper, Lee Armstrong, Lynn Johnson, Fred Hiltz, Terry Treleven. Second row, left to right: James Butler,

Terry Chapman, Irma Plante, Pat Graydon, Sherry Diller, Helen Veevers, Elaine Atherton, Marie Leader, E. J. Smith, Norman Sittang, left to right: Kay Shriver, Arlene McKel, Bertha Weenack, Barbara Fraser, Margaret Myers, Joan Kwiat, Mylena Bock, Sharon Bruns.

Back row, left to right: Fred Smith, Eric Gardner, Jack Hunt, Wesley Ramey, David Simpson. Third row, left to right: Melvin Fisher, Doug Wright, Bill Knight, David Beckman, Bill Reed, Elmer Golder. Second row, left to right: Nora Bird, Loretta

Young, Donna Gowan, Gretchen Hofmanns, Dick Lumb, Brian Cochran, Howard Weenack. Sitting, left to right: M. J. Lantz, Nellie Timson, Marjorie Sheridan, Janet Morrison, Carol Dorey, Norma Sharp, Helen Burton.

## Graduation Exercises May 10

Parents and friends of the Lacombe graduates of 1957 attended the annual graduation exercises at the Lacombe High School on Tuesday, May 10.

Mr. J. W. Dorey, principal, presided over the exercises, which were held in the gymnasium.

The exercises were held at 7:30 p.m.

Mr. Dorey, in his address, congratulated the graduates and their families for their achievement. He also presented the class history, which was a most interesting and informative study. The class history was given by Wesley Matthe, James Knott and Alan McGeehan. The class progress was given by Norman and James Butler.

The guest speaker, Mr. Dave Rogers, addressed the graduates on a theme—remember the future. In his address, he stressed the importance of God in the lives of young people. David Simpson, on behalf of the graduates, addressed the assembly and thanked Mr. Rogers for his words of advice.

The presentation of caps to the graduates was given by Mr. Dorey, Mr. H. H. Bow and Mr. H. J. Hiltz.

The exercises were brought to a close when Mr. Dorey gave his school prayer. The graduates then sang the school song, "Lacombe High School," which was presented by the graduates. The exercises closed.

During the exercises, Norma Young, class president, presided.

The exercises were followed by a social hour in the gymnasium, which was well attended by the graduates and their families.

## Valedictory Given By Helen Veevers

The valedictory address was given by Helen Veevers, class president, at the graduation exercises on Tuesday, May 10.

In her address, she stressed the importance of God in the lives of young people.

She also presented the class history, which was a most interesting and informative study.

The class history was given by Wesley Matthe, James Knott and Alan McGeehan.

The class progress was given by Norman and James Butler.

The exercises were brought to a close when Mr. Dorey gave his school prayer.

The exercises were followed by a social hour in the gymnasium, which was well attended by the graduates and their families.

During the exercises, Norma Young, class president, presided.

The exercises were followed by a social hour in the gymnasium, which was well attended by the graduates and their families.

During the exercises, Norma Young, class president, presided.

The exercises were followed by a social hour in the gymnasium, which was well attended by the graduates and their families.

Housewife: well, get busy  
 hands a minute in the pantry

The Lacombe high school camera club has spent another interesting year with Mr. Johnson as advisor.

The club consisted of Jay Tipman president, Myrna Langor, secretary-inventor, Elmer Goldstein, vice president, and four other active members.

At the beginning of the year the important points in picture taking were pointed out by Mr. Johnson and the novices at the

prerenced amateur photographer.

During the year, the district members were allowed to develop on their own pictures in the dark room.

One of the major undertakings of the season was a contest open to the entire high school. The teachers judged the entries and the winner was Wes Martin.

The camera club reports a very successful 1954-55 season and they

Popular Progressive-Conservative Leader In Triumph Hour

## Conservative Party Gains 110 Seats

For the first time since 1928, the Progressive-Conservative party was triumphant at the federal polls. The Conservatives failed to obtain a clear majority, however, electing 110 members in the House of Commons.

The former Liberals were toppled by the Defeatist party from a supremacy they have enjoyed in the last five general elections. Preliminary totals indicated 101 Liberals elected, compared with 110 in 1953.

C.C.P. party held its own by gaining 26 seats, compared with 21 in the last House of Commons election, drawing its support from the Alberta, Saskatchewan and British Columbia, elected 18 members in the six-seat House of Commons.

Preliminary party standings:

|                          |            |
|--------------------------|------------|
| Progressive-Conservative | 110        |
| Liberals                 | 101        |
| C.C.P.                   | 26         |
| Radical Credit           | 19         |
| Independents             | 2          |
| Defeatist                | 1          |
| Mr. St. Laurent          | 1          |
| Lab. Labour              | 1          |
| Defeatist                | 1          |
| Deferred (due to death)  | 1          |
| <b>TOTAL</b>             | <b>203</b> |

Because no party received an overall majority, the first government is likely to be an unstable one which must count on the support of minority parties in the passage of legislation.

The C.C.P. has indicated it will

not form a coalition with any party. The Social Credit "left operator" said it would neither elect nor abstain to break the deadlock.

By all odds, this is one of the biggest upsets in modern Canadian political history.

James L. Macpherson, leader of the Defeatist party, said the party would not form a coalition with any party.

### Heads Friendship Club

Subject of a twelfth home for Lacombe was discussed at the monthly meeting of the Friendship club last Friday evening at the L.M.C. banquet room.

Guest speakers at this important topic were Mr. Austin from the department of health and welfare in Edmonton, Mayor Alex Ellis, and Fred Pomeroy, who is president of the board of trade and agriculture.

Annual business meeting followed, with the election of officers.

Fred P. Cull, president; Lloyd Puffer, first vice-president; Perry Pratt, second vice-president; Mrs. A. Bradley, secretary; Mrs. C. R. Young, treasurer; Mrs. C. C. Cull, clerk; secretary, Mrs. Dave Boden and Mrs. Hopson.

## June Wedding in Lacombe Church Unites Couple

Van Der Brink-Ten Hove

First Christian Reform church in Lacombe was the scene of a pretty wedding on June 4 at 2:30 p.m. when Miss Frances Van Der Brink, eldest daughter of Mr. and Mrs. A. Van Der Brink of Bryden, Sask., became the bride of Mr. Ten Hove, eldest son of Mr. and Mrs. J. Ten Hove of Hildesheim. The altar was decorated with flowers of assorted hues.

Rev. B. J. Borklund officiated at the double-ring ceremony, and Mr. Frank Tolson was the witness.

The bride entered the church to the strains of Lohengrin's wedding march on the arm of her father, and looked lovely in her gown of nylon set over satin, low waist line and lace top, complemented by a bolero with (lyp-pine) sleeves.

Her finger ring set from a handsome set of trimmed with aquamarine and mother of pearl. She carried a colonial bouquet of white lilies and red roses.

Her attendants were Miss Colby of Brink and Miss Ann Van Der Brink as bridesmaids.

They were dressed in identical white-lynex gowns of nylon set over tulle, the bride being of lace and off the shoulder, complemented by a small bolero. They wore yellow and blue respectively.

The bridesmaids were met at the altar with ribbons. They carried bouquets of blue and white carnations.

The groom was attended by Mr. Frank Tolson as best man, and Mr. George Van Der Brink and Mr. George Van Der Brink as groomsmen.

The bride's mother chose a dress of gray figured silk with white accessories and a yellow carnation corsage.

The groom's mother chose a gray silk figured dress with white accessories and a corsage of pink carnations.

A reception was held immediately after the ceremony in the church basement for some 100 friends and relatives.

Later in the evening a banquet was held in the Red Room in Red Deer for 30 guests.

For ever the bride changed to a gray tulle set with white accessories and a corsage of pink carnations.

After a honeymoon trip to Yellowstone National Park, the happy couple will reside on the groom's farm north of Cold Lake.

their daughter, Jane C. Mr. John Henry, son of Mr. and Mrs. L. Lindvold, Denmark, will take place on July 6 at St. Andrew's church, Lacombe at noon.

Mrs. Gertrude Hopkins, daughter of Winnipeg, has been visiting here for two weeks.

June 11, 1942, NEW HELL, CALIF. (Pawnee)

## June Wedding Young Lacombe

On the evening of Saturday, June 6, at St. Andrew's United Church, Lacombe, Alberta, Canada, the wedding ceremony was performed by Mr. and Mrs. Leslie Lavin of Lacombe, Alberta, officiating. The bride, Miss Mary Louise Lacombe, daughter of Mr. and Mrs. William Arthur Czekalski, of Lacombe, Alberta, was escorted by her brother, Mr. William Arthur Czekalski, of Lacombe, Alberta. The groom, Mr. M. G. C. Thierley, was escorted by his brother, Mr. M. G. Thierley, of Lacombe, Alberta.

Following the ceremony, the bride and groom were seated at a table with the bridesmaids and groomsmen. The reception was held at the home of the bride's parents, Mr. and Mrs. William Arthur Czekalski, of Lacombe, Alberta.

The church on the arm of her father, the bride looked lovely in her white gown, which was made of white satin with long sleeves and a full skirt. The bride's hair was styled in waves and she wore a large veil. The groom wore a dark suit and a white shirt with a dark tie.

The bridesmaids wore white dresses with long sleeves and full skirts. The groomsmen wore dark suits and white shirts with dark ties. The wedding was a simple and beautiful ceremony.

ment will be  
by June 22. Let's

**GRACE**

Mr. Leslie Wade, brother-in-law of the bride.

Mr. and Mrs. Hunt supervised the wedding music, and Mr. David Hopkins rendered the solo "Benedictus." The organists were the organist and "True Love" during the reception.

A reception was held in the basement of the Leontine memorial centre. The bride's table was centered with a star-shaped centerpiece decorated with pink tulle. On either side were pink and white tapered in shades.

Mr. Gordon Christman acted as master of ceremonies, and Mr. Harold Smith was the best man to the bride, which was ably responded by the groom. Miss Mary Martin was in charge of the guest book.
